**“Medicare vs. Medicare Advantage.
What don't you know that you REALLY need to know?”**

Charles Clarkson, of our local Jewish Family Services will speak to us and convey important information as we approach the 2018 enrollment deadline. You may not be anywhere near ready to think about Medicare or you may already be on Medicare and think you know it all (**but you don't!**)....and some of us have family members that we may need to help navigate through this very complicated part of life.

Come join us, if not for the topic, come for the food, friends and a beautiful Kabbalat Shabbat service!

Please let us know if you need transportation to this program or know someone that does.

PLEASE RSVP FOR DINNER ONLY BY OCT. 13.

Speaker and Service are open to all at no cost.
